Foreword

Our book, this 1960 issue of the REX COLLIUM, takes its place alongside the chain of books that have marked the development of Jenner-Boswell-Jennerstown Joint High School. It is the story of another year, a great year; especially, it is the story of our years at J.B.J.

This edition of the REX COLLIUM is the story in pictures of how the class of "60" spent its school days. The pictures in our album help to capture some of the events of significance and help to show how education came to mean so much to each member of our class. School at times seemed a little difficult, but with activities available to the students, it seemed to lighten the load that we sometimes had.

This REX COLLIUM also shows what we have accomplished thus far as a group. The close of this year will bring on a new aspect of life for all seniors. You might say we stand on the threshold to the future. High school will be ended and college or a job lie ahead. In the future everything we do will have to be done as an individual.

Our memories of school years will include much of the tradition of Boswell High, but they will also reflect our eager interest in the new and the progressive.

We, the seniors of the class of 1960, dedicate this REX COLLIUM to all underclassmen with the hope that they have as many successful adventures at J.B.J. as we have enjoyed.

Dr. R. Leslie Simpson

To the class of 1960

Every gift is an opportunity and an obligation. Intelligence is given for a purpose. There is joy in its use. Through exercise the mind grows strong; through disuse, weak. In proportion to your gifts, you have a moral obligation to be intelligent; to use your mind constantly for the improvement of your daily life.

Congratulations upon your graduation from J.B.J. and my best wishes for success.

R. Leslie Simpson

Old fashioned protographs! We hardly want to go back to them. Old fashioned schools! We hardly want to go back to them, either. Yet, we need to remember that the basic means and purposes of modern photography differ little from the old fashioned kind —a chemical reaction to produce a clear, natural image of the subject. Likewise the basic means and purpose of the modern school differs little from that of the old—a student-teacher reaction to produce a picture of what the individual student really is and needs to be.

Sometimes the basic purpose of photography gets lost in touch-up, tinting, and glamorous frame. So too, there is a tendency for the basic purpose of education to become secondary to extra-curricular activities and striving for non-scholastic prestige. The old fashioned purpose of education has not gone out of style, individual excellence in scholarship is still the high road to the future.

Dr. Simpson, as Supervising Principal of our schools, has a genuine interest in the expansion of our school facilities and the betterment of the educational program at J.B.J.

Mr. Dietz, our principal, makes himself available to all the problems of the students of our schools. His helpfulness and understanding make him a boon to the whole school.

Our school secretaries are very often not given credit for the amount of work they do for the students at J.B.J. It would be very difficult indeed for us to enjoy as smooth running a school as ours without their help.

Class History

We, the seniors of J.B.J., look back at our former years in school, years more like a play with four acts representing our four years in high school. The actors and actresses are the graduating class of 1960 and the setting is J.B.J. High School.

Act I. As the curtain begins to ascend we see the class officers of the ninth grade —Diane Gowarty, William Walker, Marie McGuire, and Joe Hoffman—leading our somewhat frightened classmates into what appears to be a huge mystical building, the high school building. This year saw our class begin to make its mark in the sports field with boys participating in football, basketball, and track. Also the girls made their contribution by adding pep and school spirit to the cheering squad. We also took part in the finer arts with Junior Band members moving up to the Senior Band.

Act II. This year we are really becoming active in school affairs, with our class beginning to make a name for itself. We again choose able leaders, Eugene Chappell, Patty Evans, Josephine Trella, and Rick Orlandi. The annual football dance was our big money making project. We also sponsored a skating party at Latrobe Skating Rink. During this act we hear chorus music; why it's the voices of our new chorus members. This year we picked our courses according to what we wanted our future to hold for us. Who knows? We may have future doctors, lawyers, dentists, nurses, teachers, store keepers, farmers, housewives, and perhaps even a future president in our class.

Act III. We may now consider ourselves upperclassmen because we have only our Junior and Senior years to finish before we graduate. This year will hold many happy memories of the activities in which we participated. The prom, "Oriental Gardens," was the class's most beautiful project and happy memory. Our selling ability was tested when the class sold magazines. We also showed our writing and speaking ability with six of our classmates entering the "Voice of Democracy" contest. On the football field we see leading our band four new majorettes from our class; they certainly can march and twirl. This year our crusading officers were Maxine Griffith, Eugene Chappell, Helen Stern, and Kathy Lohr. Our acting ability was demonstrated when we presented the Junior class play, **Our Hearts Were Young and Gay.**

Act IV. The last exciting act which will be filled with our happiest and our saddest memories now begins. There is confusion, excitement, and happiness with the receiving of rings, pictures, and name cards. Our beauty and talent contestant in the Maple Queen Contest was Lana Reinholtz. Again this year we had a successful class play, **Time Out for Ginger.** With the class's upmost goal of becoming the best class to graduate, we elected Maxine Griffith, Eugene Chappell, Rick Orlandi, and Kathy Lohr to head us in reaching this goal. As the curtain begins to descend our class takes its last bow before going out to begin a bright future. The members of the cast have played many roles in this play, scholar, sports, hero, chorus member, class leader, band member—fulfilling all the roles to the best of their ability.

In Memoriam

So, with distraction round him stilled,
Now let him be content!
And times from age to age shall build
His standing monument.

Lawrence Housman
A Dead Warrior

The students of J.B.J. Joint High School suffered a great loss with the sudden death of their beloved friend, Donald Edward Vinosky on February 22, 1959.

His enthusiasm for living and sincere interest in others led him to participate in many activities. Don was a member of the J.B.J. basketball team and was student manager of the football team.

Born in Melcroft, Fayette County on April 15, 1941, Don was a junior when he met his untimely death.

Don—smiling, popular and friendly—was admired and respected by his classmates and teachers.

Student Council

The Student Council is the governmental body of our school. To create an understanding of problems among the student body, the faculty, and the administration, is the aim of this council. It provides an opportunity for members of the school to discuss student problems.

Through the effort of the Student Council, the students of our school unite into a group that supports practically all the activities which they feel are worthy of the attention of the students.

Projects of the council are selling ice cream at noon, and putting up the large tree and decorating it during the Christmas season.

The student council presents many interesting assemblies. One of the favorites of the season was the trampoline experts.

This year the council chose Eugene Landis as President, Carol DeFelice as Treasurer, John Behon as Secretary, and Janet Gindlesperger as Chaplain.

The 1960 edition of the J.B.J. yearbook, Rex Collium, originated in the fall of 1959. At this time the theme "Album" was chosen.

Helen Stern was selected as Editor in Chief. Plans were then made for the book.

The Literary staff, headed by Judy Queen, rounded up all the available news and put it into write-ups to make our book more interesting.

Janet Gindlesperger and her photography staff members made up schedules and kept the kids on the move when it came to picture time.

Bill Whipkey and his assistants did the artistic work on the yearbook to make it more attractive.

The business staff, headed by Diane Gowarty, toured the surrounding towns collecting ads to put into our yearbook.

Doris Gilbert made sure the typing staff did their work to perfection as the final touch to our Rex Collium.

Mr. Cook, the head advisor, worked closely with the staffs and guided us over the rough spots. It was through his fine ideas and encouragement that we produced such a fine Rex Collium.

Eagle

Our monthly chronicle, the Eagle, is an exciting part of the time students spend at J. B. J. Our newspaper is edited entirely by a staff of students who are under the sponsorship of Miss Koscho. The members in this staff have the responsibility of collecting news concerning the school and its many activities and to make write-ups of these various topics. Each month the Eagle contains a great variety of the things that are of interest to the students. The writeups usually contained in the Eagle are editorials written on subjects that may correspond with a holiday that may be celebrated in the month or an educational article. The club news article contains the activities of the club; articles on the classes are about meetings that were held and other news pertaining to the classes. The sports article gives a description of the games that were held by our football, basketball, and wrestling teams.

Each write-up is checked, typed, published, then sent to the student for enjoyable reading.

The editors are: Editor, Mary Supanick; Co-Editor, Audrey Miller; Layout Editor, Jane Beltrami; News Editor, Connie Gontis; Business and Exchange Editor, Joan Brown; Feature Editor, Patricia Turney; Sports Editor, Patty Stets.

Band

The band began the new year by playing at the football games. Under the direction of Mr. Kistler, without whom the band would not have been a success, the band proved to be a hit where or when it played.

Always there, beside the band, were the majorettes, led by Jo Ann Maruca. The other majorettes were: J. Emert, C. Darr, J. Lundquest, J. Mastillo, C. Vish, P. Evans, M. Zanoni, J. Ott, and C. Ryniak.

The band played for the Senior and Junior plays, marched in the Memorial Day Parade, and spent October 10th at Indiana State Teachers College for the annual homecoming parade and attended the football game afterwards.

Jr. Band

As the name of this group implies, these students are the beginning of what shall someday be the Senior High marching band. Hours of thankless practice are theirs now for the chance to someday be rightfully recognized as accomplished musicians.

With Mr. Kistler to lead them along their way, because this group does not elect officers, they learn the fundamentals of music and finally, the intricacies of good musicianship.

Four periods a week you will find these young people rehearsing enthusiastically in the band room.

Voices raised on high —

Mrs. L. Thomas

Music plays an important role with the students of J.B.J.; there are about 180 members in the chorus of our school who can attest to this fact. Four days a week the chorus meets to give their best to the part of music in our daily curriculum. And it is no wonder the students enjoy their music ... there is diversity enough of music to appeal to a host of individual tastes. "Bali Hai," "Let Mt. Zion Rejoice," and "Climbin Up the Mountain" are just a few of the songs that the students enjoyed singing the past year.

Mrs. Louise Thomas is the capable director who leads our chorus through days of wonderful song.

The Future Homemakers of America is an organization composed of state associations.

The goals which these girls work up to are: to promote international good will, to work for good home and family life, and to foster the development of creative leadership in home and community life.

These girls sold pompoms at basketball games and Easter Eggs. Many of the girls bought unwanted clothes and bought small gifts for the children over seas.

The club also had a Christmas Party on December 18. The F.H.A. along with the F.F.A. sponsored a hayride where everyone enjoyed themselves.

Mrs. Haberlen, the advisor, helped these girls in their club. She has done a very good job advising them.

Four of the girls have attended the Farm Show in Harrisburg.

This is a fine organization and is very constructive in its work. It is also especially well suited to those girls planning to be housewives.

What was that wonderful aroma coming from the Home Ec room? It was the Chef Club learning to cook.

There were sixteen boys in the club, under the direction of Mrs. Bossart. These boys payed dues of 5 cents every club period to help pay for the food that they made. There were several kinds of food which they had made. A few of these were: muffins, pizza, and ginger snaps.

Two weeks before school began, the members of our football team were working hard at summer camp to prepare themselves for the exciting season that was enjoyed by the Boswell football fans.

Our first game of the season with Forbes was a thrilling event which held the attention of the viewers until the very last second.

The cold weather did not prevent a capacity crowd from following the J.B.J. team to Conemaugh Twp. for their next game. Conemaugh scored first, gaining a seven point lead; however, Boswell soon caught up and went on to win by a score of 19-7. Boswell fans were especially happy at this win, for it was the Bears' first victory over Conemaugh Twp. in 18 years.

Conemaugh Boro, the Bears next opponent, handed them their first defeat of the season.

Ligonier was the next team to suffer a loss from the Boswell team. A very decisive victory it was as our team tromped their opponents by a score of 39-0.

In succession, Boswell was defeated at their next four attempts by Shade, Berlin, Somerset and Ferndale.

The last game of the season saw a revived Boswell team defeat Meyersdale by a score of 28-6.

The Bears four wins, five losses season was a memorable one. Much credit is to be given to Jim Campbell for the fine coaching job he did. Helping the coach in his many duties were Stanley Krupnik and Patrick Krupper. John Behon and John Ringler shared honors as Co-captains of the team.

Bill Fetcho, Carlton Barron, Paul Trella and Jim Bence gave their services as managers.

The school is proud of the team's record

First Row, L. to R.—Mr. Krupnik, T. Tulenko, J. Walters, J. Klebonis, C. Speicher, E. Chappell, T. Kalmanir, Mr. DeBlase **Second Row**—B. Fetcho, C. Mostoller, R. Bruner, J. Hoffman, B. Walker, E. Landis, D. Gowarty

Jump, Bound and Rebound! In section play, the Gold and Blue dropped 6 games to finish in a tie for third place in District Five play.

The 1959-60 Bear team proved to be a courageous and ambitious squad that scored a total of 1,342 points, short of last year's mark of 1,613. The team scored a game average of 61 points per game.

Although the squad was unpredictable at times and eventually lost their bid for the district title, they displayed a poised, well-balanced, sharp-shooting unit. The Bears were exciting even in defeat; several of their losses were by a few bitter points.

The team was capably led through the season by the leadership of their three co-captains, seniors Bill Walker, Tom Kalmanir and Jerry Walters. Many other seniors shared honors on the J.B.J. team—Joe Hoffman and Gene Landis were to be seen with the starting five, while Gene Chappell, John Klebonis, and Bob Mostoller were always handy when they were needed.

Highlighting the J.B.J. team was Bill Walker with his scoring ability. Bill had a total of 483 points in section play for the 1959-60 basketball season.

The Varsity team was coached by Joe DeBlase. The time put in by him and the members of the team made it a worth while season.

The Jayvees were coached by Stanley Krupnik. The Jayvee team finished with a 13-9 record.

The student managers were Bill Fetcho, Andy Sheftic, Frank Tulenko, and Larry Gindlesperger.

Our wrestling squad this year did a wonderful job as they revealed their courage and ambitions. Our boys displayed a poised and well-balanced team when they captured five matches while dropping only two.

John Ringler and Jim Bence, both captains of this years team, helped to make it a successful year. Some other capable seniors of the wrestling squad were Jim Baca, Bob Diest, Bob Horner, Charles Budzina, and Richard Shields.

This year's team was coached by Mr. Policicchio who was assisted by Mr. Campbell.

School spirit is embodied in cheers.

Cheerleaders

Competing on a point system, which includes tumbling routines, the J.B.J. cheerleaders are elected in the spring of the year to represent our school for the following year. During the summer these girls practice weekly to perfect the cheers which will give them the appearance of a well-coordinated team.

Captain of the hard-working Senior cheerleaders is Lana Reinholtz. Delores Benedict is captain of the J. V. group. Both groups are ably advised by Miss Rose.

What would our school do without the enthusiasm, leadership ability, and school spirit of our cheerleaders?
